(Operation Directors)

Visiting Instructor Program:

Welcome to Archway Adventures! We are excited to share this “adventure” with you. You honor us by partnering up on this lofty goal.

Mission:

Archway Adventure is creating a dynamic model for individual action to create a positive impact in their lives, community and environment.

- Creating a small footprint
- Self-sustaining techniques
- Education
 1. Nature skills/Earth gardening
 2. Conscious living
 3. Leadership/ Individual potential

If you have something to teach and share that falls under the above mission statement please apply at archwayadventures123@gmail.com

- send proposed teaching outline
- proposed dates
- resume and references of instructor

Archway Adventure does not share mailing lists or generate students. The visiting instructor is responsible for students attending their program. Instructor is also responsible for the content of the class.

Please review the following guidelines:

- 15 maximum students
- 12 -17 year old students must have a guardian attending
- 1 – 2 day (weekend) programs

Archway Adventures provides food and lodging

Archway Directors, Patrick and Annette Archambeau will audit class
